The most powerful single-GPU laptop on the market, this well rounded performer will run the most demanding games available without breaking a sweat. The unlocked Intel i7 6700K CPU will give you the most from your system, and your choice of Nvidia GeForce GTX 1060, 1070, or 1080 GPUs will give you the most from your games. Your opponents won't be able to take the heat, but Eurocom's thermal solution will! Your choice of full HD, 120 Hz, G-Sync panel or Ultra 4K display will let you tailor your mobile arsenal to conquer whichever battlefield you choose!
